

Covenant Presbyterian Church NEWSLETTER "NEWS"

As we live in a rapidly expanding age of digital communications, more and more churches are moving to a digital distribution of reports, minutes, weekly announcements, and other documents. This event is done both to save postage, paper and copying expenses, and to allow for enhanced immediacy of communications with members and friends of the congregation. We believe that the savings on paper, postage, ink, staff and volunteer time will be significant, AND, news and information will be delivered more immediately to your 'Inbox.'

At the June meeting, the Session has determined to solicit how you would **PREFER** to receive your copy of The Covenanter – electronic email or USPS 'snail mail'. We are taking such action with the stipulation that all interested in the "snail mail" approach continue to receive such newsletter (and other communications) in the manner preferred. Paper copies **WILL STILL** be mailed to those who choose 'snail mail'.

Changes in the distribution of the newsletter will be implemented in **September**. We need to hear from you with your choice as soon as possible.
