Volume XXXIX,  
Issue 6  
March 16, 2020

Dear Friends,

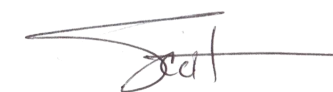

The Session of Covenant Presbyterian Church met on Sunday, March 15, 2020 after our worship service to make some necessary decisions about how to move forward in light of the COVID-19 pandemic.

As we prayerfully deliberated how to care for our members and staff, the Session decided we need to initially limit the use of our building for the next two weeks, out of concern for the spread of disease. Our services, meetings, and concerts are canceled; Infant Care, Safety Net, and Breadbasket office will suspend operations until further notice.

We advise all church members and friends to follow all public service and health directives - and be in prayer. We need lots of prayer for our day and times as we face these unprecedented challenges.

This situation is continually evolving. We hope to keep adapting and growing in our faithful response as the situation develops.

Blessings and Peace,

**Please know that you can always reach any staff members by cell phone (information on page 2.) or by email. Information, as needed will also be posted on our webpage and Facebook page.**
